

## Approved Cost Allocation Plans

Subrecipients must submit a copy of their approved cost allocation plan before requesting reimbursement for allocated costs to CVAD. If a cost allocation plan for recovery of allocated costs is not submitted to CVAD within three months of the start of the award period, there is a possibility that allocated costs will be withheld from reimbursements until a cost allocation plan is received. Subrecipients who are also direct recipients of federal awards may already have a federally approved indirect cost rate. If you have negotiated an indirect cost rate with the federal government, then that rate applies.
