Funding Timeline

The Victim Assistance Section of the Iowa Attorney General's Office provides funding to organizations which provide services to victims of crime.

The application and funding process is approved by the Crime Victim Assistance Board. The Victim Assistance Section awards funding on a three-year cycle for victim service applicants and criminal justice programs. The funding cycle begins on October 1 of the first year and ends September 30 of the third year.

The application process begins with the release of a Request for Proposals (RFP) and typically includes the application, application instructions and a technical assistance workshop detailing how to apply for funding. Application workshops are conducted either in-person or via webinar. The workshop clarifies funding application requirements and the award process. The grant cycle process outlined below provides a general application timeline. The grant application and review timeline may change based on the funding initiative. It is highly recommended that applicants read open grant opportunities for specific details on timelines and conditions. The process typically includes:

- Funding application workshops
- Letters of intent due (if requested)
- Applications due
- Application review
- Crime Victim Assistance Board approves recommended awards
- Award notifications emailed to applicants
- Appeals submitted for reconsideration
- Crime Victim Assistance Board reviews appeals for funding
- Contracts are issued to successful applicants

Request for Proposal Process

Iowa Administrative Rule (61-9.53 (13) states: in any year in which federal or state funds are available, the Crime Victim Assistance Division (CVAD) (now named Victim Assistance Section) shall administer grants with eligible applicants. The amount of funds awarded shall be contingent upon the funds available. Victim Assistance shall announce the opening of an application period via public notice including but not limited to notice to current grantees and other eligible agencies identified by the program and posting on the [Attorney General's office website](#).

Applications must be received by 4:30 CST on the designated due date.

The available grant funding opportunities/RFP will contain information regarding:

- Purpose of the Funding Opportunity
- Project Period
- Eligibility Requirements
- Service Delivery Area
- Available Funds
- Application Overview including Application Deadline, Contract Period, Important Dates
- Grant Review Process
- Match Requirements (if applicable)

Proposals are reviewed and evaluated by a grant/application review committee and Victim staff. The review committee includes persons with expertise in victim services, grant management, public policy or other related areas.

The Victim Assistance staff submit funding recommendations from both the external and internal reviewers to the Crime Victim Assistance Board. The Board determines final grant awards to the extent funds are available and to the extent the applicants meet eligibility criteria.

Types of Applications and Grants

The Victim Assistance Section of the Iowa Attorney General's office provides funding to organizations who provide services to victims of crime. Per Administrative Rule 9.53(1) and (2), there are two types of grants (applications) available:

Competitive grants will be awarded based on the availability of funds, history and demonstration of quality of services provided, compliance with the requirements of the division, number of victims served, or cases investigated and prosecuted, population served, and geographical distribution of funds in the state. Preference shall be given to continued funding of successful grantees. [Administrative Rule 9.53(1)]

Focus grants will be awarded at the discretion of the AG's Office. Focus grant funding must comply with all applicable state and federal rules and regulations. The total of focus grants from one funding source may not exceed 3 percent of the funds available from the funding source in one state fiscal year. [Administrative Rule 9.53(2)]

Focus grants are awarded sparingly as the AG's Office favors an open, competitive, fair process in distributing the funds. Applicants wishing to apply for a focus grant should review the requirements in **Application Review Process for Focus Grant Applications** below.

Notification of Availability of Funding

The AG's Office shall announce the opening of an application period through public notice including but not limited to notice to current grantees and other eligible agencies identified by the program and posting on the Attorney General's Office website. Applications must be received by the designated due date. [Per Administrative Rule 61-9.53(13)].

Letters of Intent to Apply

If required by the funding solicitation, an applicant must submit a letter of intent to apply for a grant. Letters of intent to apply for funding will not increase the chances of being selected for funding. Letters of intent allow staff to plan the grant review process. Applicants must be registered with [Iowa Grants for Victim Services](#), grant management system. If a letter of intent is required detailed instructions will be provided in the RFP.

Applicants who apply for grant funding should be aware of the requirements and be willing to adhere to the certified assurances as set forth by internal and federal funding sources.

Application for Funding

Each complete application must be submitted in the manner requested, by 4:30 pm CST on the due date. The application packet shall be made available upon request to all interested parties.

An applicant must have the following:

- Table of organization and articles of incorporation as required [Administrative Rule 61-(9.54(2))]
- Evidence of any insurance coverage the applicant carries for liability or property. [Administrative Rule 61-(9.54(3))]
- Unique entity identifier, which replaces the federal DUNS number. You can learn more about obtaining a unique entity identifier on the [GSA website](#).

Victim Assistance may allow combined applications from two or more agencies if a combined application will encourage cooperation between those agencies on behalf of crime victims. Each agency receiving funds under a combined application shall sign a grant contract for the use of awarded funds. [Administrative Rule 61-(9.54(4))]. Please contact the [VSS Administrator](#) with questions about this rule.

Applications should include the following [Administrative Rule 61-9.54 (13)(1-2)]:

A paragraph describing the agencies or units of government requesting the funds.

A description of services for which funding is being requested. The description shall include, but not be limited to, the following:

- a. The geographical area to be served.
- b. The crime victim population to be served.
- c. Victim eligibility requirements for the applicant's services
- d. A description of substantial financial support from other sources.
- e. The intended use of volunteers, if any.
- f. The stated goals and objectives of the program.
- g. A description of the proposed victim service, training, or technical assistance to be implemented during the funding year.
- h. The amount of grant funds requested.
 - i. The amount of cash or in-kind resources or combination thereof which is committed where required by the division.
- j. A description of how the proposed victim service, training, or technical assistance will provide or improve services to victims of crime.
- k. Proof of coordination with appropriate agencies at the local level.
 - l. A total program budget for all services provided by the applicant's crime victim program.
- m. A proposed budget for the requested grant funds.
- n. A list of other anticipated sources of income, including written commitments, if possible, and plans for continued funding of the grant-funded activities.
- o. Other information identified in the RFP.
- p. Signed certified assurances as required by state and federal statute or regulation.

Project or Program Budgets: For each contract year, agencies are to submit a budget prior to the issuance of a contract. This budget is specific to the funding cycle, generally 12 months (October 1 through September 30) and specific to the program or project.

Budget Justification: A budget justification is the narrative explanation, or description of proposed costs in a budget. The purpose of the budget justification is to help reviewers understand the breakdown of costs and how the costs were calculated. The budget and the budget justification must match. Victim Assistance can require additional information from applicants.

Application workshops are generally conducted at the time a grant solicitation is released. Application workshops provide instruction on the grant application process and allow applicants to ask questions or seek clarification on the application process. The application workshops will be either held in person or provided via webinar and are recorded for later viewing.

Once the application has been released, to ensure fairness and equity, all questions from applicants regarding the application will be made public.

Extension on Application for Funding

[Administrative Rule 61-9.54(13)(1)].

Extensions on the filing deadline are rare and may be allowed only at the direction of the Section Chief or VSS Administrator if there is good cause.

A request for an extension must be made to the VSS Administrator or Section Chief, in writing, in advance of the application deadline. A request must be submitted on agency letterhead and must detail the need for an extension and the good cause reason(s) for why the request should be granted. The VSS Administrator or Section Chief will make a determination and notify the agency within 72 business hours. The determination made by the Section Chief shall be final.

Combined or Joint Agency Applications

[Administrative Rule 61-9.54(13)(4)]

Applicants are allowed to submit a combined application if a combined application (two or more agencies) will encourage cooperation between those agencies on behalf of crime victims. Each agency receiving funds under a combined application shall sign a grant contract for the use of awarded funds.

Combined applications are often submitted by criminal justice agencies, such as law enforcement offices filing from one community or county.

Examples:

- a. Law enforcement within a community or county will write one application for funding for an initiative involving several law enforcement agencies.
- b. Law enforcement agency writes a combination application with the local prosecutor's office.

Application Review Process for Competitive Applications

[Administrative Rule 61-9.57(13)]

Victim Assistance shall conduct a preliminary review of each application to ensure the applicant is eligible, the application is complete, and the proposed victim service, training or technical assistance is consistent with the division's mission of providing quality assistance to crime victims and crime victim programs throughout the state.

Per [Rule 61-9.57\(2\)a](#), the grant review committee is comprised of representatives from the crime victim assistance board and experts in the field of victims services, grant administration and management and criminal justice.

The committee may include, but is not limited to the Victim Assistance staff, law enforcement, prosecutors, and other experts across professions in connection with victim services and best practices. The review committee should reflect diversity in gender, race, ethnicity, sexual orientation, geographic location, skills and expertise.

The ARC shall be provided with information related to the applicant's performance with previous funds, the quality and quantity of services provided, and community support for the applicant. The ARC shall review the content of the applications and information provided by the Victim Assistance staff and members of the ARC regarding the applicant and the geographical area to be served.

All ARC members are required to sign a [conflict of interest form](#).

Victim Assistance uses generally accepted methods of application review including but not limited to checklists, quality scales, points-based systems, written comment by applicant reviewers, formulas based on past funding, population, clients served, region or area served, and available funds.

The leadership of the Victim Assistance Section oversee and manage the ARC meeting. The general flow of the ARC meeting is as follows:

- VSS Administrator makes introductions of all present, provides logistical information and reviews the process and packet of information with the ARC members.
- Recommendations for award, denial, or increase/decrease in the award amount for applications are presented by the ARC along with discussions of the reasons for their recommendations.
- Victim Assistance staff provide comments about the applications reviewed, including applicants' fiscal history, history of program management, contact with VSS staff, performance reports and site monitoring reports as well as staff recommendations for funding.
- Prior to or during the review, the Victim Assistance finance team provides any additional comments on an applicant's budget, financial history of the program and audits.
- VSS staff records all comments about why a program was recommended for approval or denial, including any special conditions, which may be required of the program.
- A VSS staff person or other designee by the VSS Administrator averages the scoring and funding recommendations by region and then the entire ARC including VSS staff determines whether the result is fair and equitable. Actual funding amounts may or may not be determined by the ARC, depending on the type of application.
- The final funding amount is determined by Victim Assistance based on available funding or, by determination from the ARC, including any contract special conditions or areas where the VSS staff should provide technical assistance to the applicant.
- When applicable, the VSS Administrator, or designee tracks the award amounts, as well as the amount available to distribute. The VSS Administrator and/or staff designee, track any contract special conditions and any areas of concern requiring technical assistance.
- The ARC is then thanked and released from their duties as reviewers. The VSS Administrator or designee provides the final recommendation of the programs selected by the ARC to received funding and if applicable, the amount of funding allocated to each program as recommended by the ARC. ARC reviewers volunteer their time to participate in the application review but may be compensated for travel related expenses, if allowed.

Award Recommendations

ARC funding recommendations are prepared by Victim Assistance staff and provided to the Crime Victim Assistance (CVA) Board in advance of the next scheduled board meeting.

There may be two-pronged recommendations from the VSS staff and the ARC:

1. which applicant programs and agencies to designate for funds during the grant cycle, and if applicable;
2. the amount of funds to be awarded to each designated program.

The Section Chief has discretion to present a separate funding recommendation to the CVA Board.

The Board shall consider the recommendations of the ARC and the Section Chief to determine final competitive awards to the extent funds are available and the application criteria have been met. The Board may reject any or all applications. The CVA Board designates the programs and agencies to receive funding and the amount of the award for each.

Application Review Process for Focus Grant Applications

[Administrative Rule 61-9.57(4)]

In selection of programs for a focus grant, a written proposal shall be solicited from current programs or

other interested parties. Interested grantees shall submit a proposal to the director outlining the purpose, cost, and outcome of the proposed grant.

The Section Chief shall submit a recommendation to the Deputy Attorney General overseeing the Victim Assistance Section, who shall make a final decision based on the availability of funds and the merits of the proposal.

Award Notifications

[Administrative Rule 61-9.58(13)]

Each applicant shall be notified, within 90 days of the application due date as to whether they have been denied or approved by the CVA Board. If approved, the applicant will also be informed of the amount of funds approved for the application. Each applicant receives notice through either an award letter, or a denial letter outlining the reason(s) for denial. The denial letter also outlines the Request for Reconsideration (appeal) instructions.

Requests for Reconsideration or Appeal Process

[Administrative Rule 61-9.59(13)(1-3)]

Applicants may file a request for reconsideration (appeal) to the CVA Board regarding the denial of a grant proposal or the award amount of proposal. The request for reconsideration must be submitted within ten working days of the date the notice of decision is issued by the Victim Assistance to the applicant. The request must state the specific grounds for reconsideration and must be provided in writing. Appealing a funding decision is to be based on Victim Assistance misconduct, ineffective review processes, disparities in funding or miscalculation of funding amounts. The appeals process is not an opportunity to resubmit an application or to provide additional information for consideration.

Upon receipt of a request for reconsideration or appeal, a notice will be sent to applicants whose funds may be affected by the appeal. Victim Assistance staff will provide a written response to the appellant regarding their request for reconsideration. The CVA Board or designated committee will be provided the following materials to review when considering appeals:

- appellant's grant application
- appellant's letter of appeal and any supporting documentation
- award notification letter
- application review notes and recommendation
- Victim Assistance response to the appeal

The CVA Board will conduct an appeal hearing to review appeals and determine final funding awards. The CVA Board allows the appellant to address the denial, or award recommendation in-person, or virtually. Any applicant who may be adversely affected by the appeal is also invited to attend and participate in the appeal. CVA Board members may ask questions of the appellant. A decision of the board or designated committee shall constitute final agency action.

Funds shall not be disbursed pending a request for reconsideration to the extent the funds are affected by the outcome of the request. Every applicant who could be adversely affected shall be notified if a request for reconsideration is approved, and awards are reduced as necessary.

In the event an original award denial or amount decision is overturned, adjustments are made to any other awards affected in the region, zone, project category, or service category for which the appeal was made. All affected grantees will be notified of the adjustments.

How to Submit an Appeal

Appellants must submit a letter on agency letterhead signed by the organization's authorized official requesting the appeal and detailing the reasons for the appeal. Appellants can provide documentation to

support their appeal. Keep in mind appealing a funding decision is to be based on Victim Assistance misconduct, ineffective review processes, disparities in funding or miscalculation of funding amounts. The appeals process is not an opportunity to resubmit an application or to provide additional information for consideration.

GVS Instructions to submit appeals:

1. From the left navigation panel select the STATUS OPTION Submit Appeal
2. From the appeal information page, select Grant Award Reconsideration as the type of appeal
3. Follow the instructions on the appeals page
