STOP VAWA Reports

Grantees who receive STOP VAWA funds must complete an annual STOP VAWA report by March 15. The report covers the previous calendar year's (January to December) grant activities. The STOP VAWA annual report is completed online

The STOP VAWA reporting template and reporting instructions can be found on the Attorney General's website.

For more information on completing the STOP VAWA reports, go to the Measuring Effectiveness Initiative website.

Note to law enforcement, prosecution and statewide agencies receiving Violence Against Women funds: Your STOP report should be completed as it applies to work related to violence against women (i.e., the number of trainings provided on violence against women issues) unless otherwise specified in the report.
