**Re: Des Moines Area Community College – Incident Notification**

Dear Sir or Madam:

McDonald Hopkins PLC represents Des Moines Area Community College. I am writing to provide notification of an incident at Des Moines Area Community College that may affect the security of personal information of approximately 1,315 Iowa residents. Des Moines Area Community College's investigation is ongoing, and this notification will be supplemented with any new or significant facts or findings subsequent to this submission, if any.

Des Moines Area Community College recently learned that meeting minutes that were available online from some meetings that were held from 1981-1986 and 1993 contained a limited number of students' Social Security numbers. The Social Security numbers were historically used by Des Moines Area Community College as student identification numbers and were identified as student identification numbers in the posted minutes. The minutes were posted online between December 2019 and May 8, 2020 as part of Des Moines Area Community College's efforts to digitize historical records. Upon discovering the issue, Des Moines Area Community College immediately had the records taken down and launched an investigation in consultation with outside data privacy professionals who regularly investigate and analyze these types of situations. Based on its comprehensive investigation and document review, which concluded on October 7, 2020, Des Moines Area Community College discovered that the affected residents' Social Security numbers were among those contained within the meeting minutes.

To date, Des Moines Area Community College is not aware of any reports of identity fraud or improper use of any information as a direct result of this incident. The data was not in a location that would greatly attract interest. Nevertheless, out of an abundance of caution, Des Moines Area Community College wanted to inform you (and the affected residents) of the incident and to explain the steps that it is taking to help safeguard the affected residents against identity fraud. Des Moines Area Community College is providing the affected residents with

A fraud alert tells creditors to contact you personally before they open any new accounts. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others.

**Equifax**  
P.O. Box 105069  
Atlanta, GA 30348

**Experian**

**TransUnion LLC**  
P.O. Box 2000  
Chester, PA 19016  
www.transunion.com  
1-800-680-7289

### **3. Consider Placing a Security Freeze on Your Credit File.**

If you are very concerned about becoming a victim of fraud or identity theft, you may request a "Security Freeze" be placed on your credit file, at no charge. A security freeze prohibits, with certain specific exceptions, the consumer reporting agencies from releasing your credit report or any information from it without your express authorization. You may place a security freeze on your credit report by contacting all three nationwide credit reporting companies at the numbers below and following the stated directions or by sending a request in writing, by mail, to all three credit reporting companies:

#### **Equifax Security Freeze**

P.O. Box 105788  
Atlanta, GA 30348  
<https://www.freeze.equifax.com>  
1-800-349-9960

#### **Experian Security Freeze**

P.O. Box 9554  
Allen, TX 75013  
<http://experian.com/freeze>  
1-888-397-3742

#### **TransUnion Security Freeze**

P.O. Box 2000  
Chester, PA 19016  
<http://www.transunion.com/securityfreeze>  
1-888-909-8872

In order to place the security freeze, you'll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name or to commit fraud or other crimes against you, you may file a police report in the City in which you currently reside.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

### **4. Obtaining a Free Credit Report.**

Under federal law, you are entitled to one free credit report every 12 months from each of the above three major nationwide credit reporting companies. Call **1-877-322-8228** or request your free credit reports online at **[www.annualcreditreport.com](http://www.annualcreditreport.com)**. Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

### **5. Additional Helpful Resources.**

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft), by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.

**Iowa Residents:** You may contact law enforcement or the Iowa Attorney General's Office to report suspected incidents of identity Theft: Office of the Attorney General of Iowa, Consumer Protection Division, Hoover State Office Building, 1305 East Walnut Street, Des Moines, IA 50319, [www.iowaattorneygeneral.gov](http://www.iowaattorneygeneral.gov), Telephone: (515) 281-5164.
