Re: Hartford Life and Accident Insurance Company: Supplement to Notice of Security Breach

To the Office of the Attorney General of Iowa:

On behalf of our client, Hartford Life and Accident Insurance Company (“The Hartford”), we hereby provide a supplement to our prior notice of a Security Breach involving a vendor of The Hartford. Please refer to our prior notice for details about the breach. This supplement is being sent out because The Hartford and PBI Research Services (“PBI”) have determined the full population of individuals affected by this breach. The final population of affected Hartford individuals is approximately 983,931 in total, of whom 12,003 are Iowa residents. While the majority of impacted Hartford individuals have been notified, The Hartford expects to complete mailing of the notifications by the end of October 2023. Once all individuals are notified, The Hartford plans to close its investigation.

Please do not hesitate to contact us with any questions related to this matter.

Sincerely,
