RE: Updated Notice of Data Security Event Relating to Iowa Residents / T-Mobile USA

Dear Attorney General:

We are following up on our letter dated August 24, 2021, in which we provided notice that T-Mobile had detected and shut down a security event that impacted the personal information of some Iowa residents. As we noted in the August 24th notice, T-Mobile's investigation of the event was still ongoing at that time. We are writing to inform you that our investigation is now complete, that we have updated our notification website (<https://www.t-mobile.com/brand/data-breach-2021>) to reflect our findings, and that we have completed our notification process. Please also note that T-Mobile provided additional information regarding impact to individuals on September 22 and October 6, 2021, and we respectfully direct you to those communications for more information.

If your office requires any further information in this matter, please contact me at 206-839-4340 or aswaminathan@orrick.com.

Sincerely,

Aravind Swaminathan
