Re: *State of Iowa Claims against GlaxoSmithKline regarding Flonase*

Dear General Bird and Mr. Goerlitz,

I am pleased to report that funds in the amount of \$1,095,994.68 have just been received pursuant to the settlement agreement dated May 12, 2023, between the State of Iowa and GlaxoSmithKline ("GSK") related to the State's potential claims for state governmental purchases and/or reimbursements for the pharmaceutical drug Flonase. Pursuant to our contract of representation, we will retain 20% (\$219,198.93) as our fee and remit 80% (\$876,795.75) to your office. These funds will be sent via wire transfer, as per the instructions provided by your office.

It is a great pleasure to bring this matter to a close for the State of Iowa, and we appreciate the confidence you have in our ability to successfully represent the State. Should you have any follow up questions or concerns, please contact me at your convenience.

Yours very truly,
