Re: Supplemental Notice of Data Event

To Whom It May Concern:

We continue to represent Hub International Limited located at 150 N Riverside Plaza, Chicago, IL 60606. We are supplementing HUB's previous notice to your office on August 11, 2023, and any subsequent updates thereto. By providing this notice, HUB does not waive any rights or defenses regarding personal jurisdiction or the applicability of Iowa law, including the Iowa data breach notification statute and/or potentially applicable insurance laws and regulations. By way of this supplemental notice, HUB is sharing confidential commercial and financial information. Should there be a request to share any information regarding this event beyond your Office, we ask that you advise us of the same in advance of any disclosure. Disclosure of such information could harm or impair HUB's private interest in controlling the availability of intrinsically valuable records, including records relating to security and business operations.

The investigation into this matter is now complete, and we are providing a final update regarding the number of Iowa residents potentially affected by this event. As detailed in our prior notice to your office, on August 11, 2023, HUB began providing written notice of this event to three thousand nine hundred thirty-four (3,934) Iowa residents. Subsequently, as information became available, HUB provided additional written notice of this event to a total of one hundred six (106) Iowa residents on February 9, 2024, and April 12, 2024. The information that could have been subject to unauthorized access related to these additional residents includes name, Social Security number, driver's license number, and financial account information.

Should you have any additional questions regarding this notification or other aspects of the data security event, please contact us at (267) 930-2190.

Very truly yours,
