Re: NTCA – The Rural Broadband Association – Incident Notification

Dear Sir or Madam:

McDonald Hopkins PLC represents NTCA – The Rural Broadband Association (“NTCA”). I am writing to provide notification of an incident at NTCA that may affect the security of personal information of approximately seven hundred and thirty-six (736) Iowa residents. NTCA’s investigation is ongoing, and this notification will be supplemented with any new or significant facts or findings subsequent to this submission, if any. By providing this notice, NTCA does not waive any rights or defenses regarding the applicability of Iowa law or personal jurisdiction.

NTCA recently learned that an unauthorized individual obtained access to an NTCA email account on April 3, 2019. Upon learning of this issue, NTCA commenced a prompt and thorough investigation, working closely with external cybersecurity professional. After an extensive forensic investigation and manual document review, NTCA discovered on July 23, 2019 that the impacted email account contained Iowa residents’ personal information. The information may have included the residents’ names and Social Security numbers.

NTCA’s investigation is ongoing. Nevertheless, out of an abundance of caution, NTCA wanted to inform you (and the affected residents) of the incident and to explain the steps that it is taking to help safeguard the affected residents against identity fraud. NTCA will provide the affected residents with written notification of this incident commencing on or about August 23, 2019. NTCA has provided the residents with 12 months of credit monitoring and has advised the affected residents about the process for placing a fraud alert and/or security freeze on their credit files and obtaining free credit reports. The affected residents are also being provided with the contact information for the consumer reporting agencies, the Federal Trade Commission, and the Iowa Attorney General.

At NTCA, protecting the privacy of personal information is a top priority. NTCA is committed to maintaining the privacy of personal information in its possession and has taken many precautions to safeguard it. NTCA has implemented additional authentication measures to access confidential data, improved staff training and will be releasing an online enrollment portal this fall to enhance the security and privacy of the personal and protected health information that we maintain.

Should you have any questions regarding this notification, please contact me at (248) 220-1356 or dpaluzzi@mcdonaldhopkins.com. Thank you for your cooperation.

Sincerely,

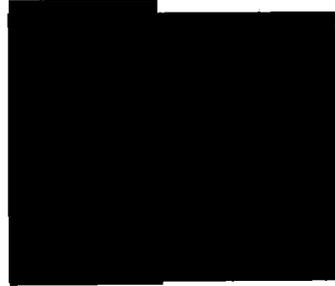

Dominic A. Paluzzi

**IMPORTANT INFORMATION
PLEASE REVIEW CAREFULLY**

Dear [REDACTED]:

The privacy and security of the personal information we maintain is of the utmost importance to NTCA – The Rural Broadband Association (“NTCA”). Unfortunately, I am writing with important information regarding a recent data security incident that may have involved some of your information. We want to provide you with information about the incident, explain the services we are providing to you, and let you know that we continue to take significant measures to protect your information.

What Happened?

As a result of a phishing incident, an unauthorized party obtained access to an NTCA email account on April 3, 2019.

What We Are Doing.

Upon learning of this issue, we contained the account and commenced a prompt and thorough investigation. As part of our investigation, we have worked very closely with external cybersecurity professionals. After an extensive forensic investigation and manual document review, we discovered on July 23, 2019 that the impacted email account contained some of your personal information. It is important to note that we have no evidence that any of the information has been acquired or misused. Nevertheless, out of an abundance of caution and because we deeply value our relationship with you, we want to make you aware of the incident.

What Information Was Involved.

The impacted email account that was accessed contained some of your personal information, including your full name and Social Security Number, and may include your date of birth.

What You Can Do.

To protect you from potential misuse of your information, we are offering you a one-year membership in myTrueIdentity provided by TransUnion Interactive, a subsidiary of TransUnion. For more information on identity theft prevention and myTrueIdentity, including instructions on how to activate your one-year membership, please see the additional information provided in this letter.

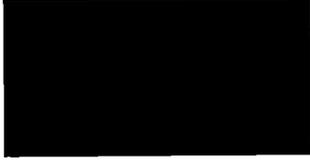

This letter also provides other precautionary measures you can take to protect your personal information, including placing a fraud alert and/or security freeze on your credit files, and/or obtaining a free credit report. Additionally, you should always remain vigilant in reviewing your financial account statements and credit reports for fraudulent or irregular activity on a regular basis.

For More Information.

Please accept our apologies that this incident occurred. We remain fully committed to maintaining the privacy of personal information in our possession and have taken many precautions to safeguard it. We have implemented additional authentication measures to access confidential data, improved staff training and will be releasing an online enrollment portal this fall to enhance the security and privacy of the personal and protected health information that we maintain.

If you have any further questions regarding this incident, please call our dedicated and confidential toll-free response line that we have set up to respond to questions at [REDACTED] This response line is staffed with professionals familiar with this incident and knowledgeable on what you can do to protect against misuse of your information. The response line is available Monday through Friday, 9 am to 9 pm Eastern Time.

Sincerely,

A large black rectangular redaction box covering the signature area. A small handwritten mark is visible above the top edge of the box.

- OTHER IMPORTANT INFORMATION -

1. Enrolling in Complimentary 12-Month Credit Monitoring.

As a safeguard, we have arranged for you to enroll, at no cost to you, in an online credit monitoring service (myTrueIdentity) for one year provided by TransUnion Interactive, a subsidiary of TransUnion®, one of the three nationwide credit reporting companies.

To enroll in this service, go to the myTrueIdentity website at www.mytrueidentity.com and in the space referenced as "Enter Activation Code", enter the following 12-letter Activation Code [REDACTED] and follow the three steps to receive your credit monitoring service online within minutes.

You can sign up for the online credit monitoring service anytime between now and [REDACTED]. Due to privacy laws, we cannot register you directly. Please note that credit monitoring service might not be available for individuals who do not have a credit file with TransUnion, or an address in the United States (or its territories) and a valid Social Security number. Enrolling in this service will not affect your credit score.

Once you are enrolled, you will be able to obtain one year of unlimited access to your TransUnion credit report and credit score. The daily credit monitoring service will notify you if there are any critical changes to your credit file at TransUnion, including fraud alerts, new inquiries, new accounts, new public records, late payments, change of address and more. The service also includes access to an identity restoration program that provides assistance in the event your identity is compromised to help you restore your identity and up to \$1,000,000 in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)

If you believe you may be a victim of identity theft, please call the toll-free TransUnion Fraud Response Services hotline at [REDACTED]. When prompted, enter the following 6-digit telephone pass code [REDACTED] to speak to a TransUnion representative about your identity theft issue.

Special note for minors affected by this incident: The same services referred to above may not be available to affected minors. As an alternative, parents/legal guardians can check to see if your child may be a victim of identity theft by using TransUnion's secure online form at www.transunion.com/childidentitytheft to submit your information so TransUnion can check their database for a credit file with your child's Social Security Number. After TransUnion's search is complete, they will respond to you at the email address you provide. If they locate a file in your child's name, they will ask you for additional information in order to proceed with steps to protect your child from any impact associated with this fraudulent activity.

2. Placing a Fraud Alert on Your Credit File.

Whether or not you choose to use the complimentary 12 month credit monitoring services, we recommend that you place an initial one (1) year "Fraud Alert" on your credit files, at no charge. A fraud alert tells creditors to contact you personally before they open any new accounts. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others.

Equifax
P.O. Box 105069
Atlanta, GA 30348
www.equifax.com
1-800-525-6285

Experian
P.O. Box 2002
Allen, TX 75013
www.experian.com
1-888-397-3742

TransUnion LLC
P.O. Box 2000
Chester, PA 19016
www.transunion.com
1-800-680-7289

3. Consider Placing a Security Freeze on Your Credit File.

If you are very concerned about becoming a victim of fraud or identity theft, you may request a "Security Freeze" be placed on your credit file, at no charge. A security freeze prohibits, with certain specific exceptions, the consumer reporting agencies from releasing your credit report or any information from it without your express authorization. You may place a security freeze on your credit report by contacting all three nationwide credit reporting companies at the numbers below and following the stated directions or by sending a request in writing, by mail, to all three credit reporting companies:

Equifax Security Freeze
PO Box 105788
Atlanta, GA 30348
<https://www.freeze.equifax.com>
1-800-349-9960

Experian Security Freeze
PO Box 9554
Allen, TX 75013
<http://experian.com/freeze>
1-888-397-3742

TransUnion Security Freeze
P.O. Box 2000
Chester, PA 19016
<http://www.transunion.com/securityfreeze>
1-888-909-8872

In order to place the security freeze, you'll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name, or to commit fraud or other crimes against you, you may file a police report in the city in which you currently reside.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

4. Obtaining a Free Credit Report.

Under federal law, you are entitled to one free credit report every 12 months from each of the above three major nationwide credit reporting companies. Call **1-877-322-8228** or request your free credit reports online at **www.annualcreditreport.com**. Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

5. Additional Helpful Resources.

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at www.ftc.gov/idtheft, by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.
