RE: Data Breach – EyeBuyDirect, Inc.

To whom it may concern:

Please let this letter serve as notice to your office that EyeBuyDirect, Inc. ("EBD") experienced a data breach which may have compromised the personal information of certain residents of your state. EBD became aware of a possible intrusion on June 16, 2015 and immediately disabled the offending technology and commenced a forensic investigation in compliance with PCI Data Security Standards. The final report, issued to EBD on September 22, 2015, confirmed the intrusion and that the personal data of 9 Iowa residents was exposed to possible theft by outsiders.

The attached letter to consumers, including the residents of Iowa potentially affected by the breach, will be going out in the next few days. If you have any questions, please feel free to contact us at inquiries@eyebuydirect.com.

Sincerely

Dear _____:

We are writing to inform you of an incident that may have involved your personal information. On June 16, 2015, we learned that hackers using a Russian IP address gained unauthorized access to EyeBuyDirect's website sometime between February 9 and May 30, 2015. During that time, the hackers may have accessed the personal information of certain customers, including first, middle and last names, mailing addresses, shipping addresses, phone numbers, e-mail addresses, credit card numbers & CVV codes (the security code on the back of your card).

As soon as we learned of the intrusion, we took immediate action to disable the hackers' access. We also retained forensic investigators to assess the incident and who it may have affected. On September 22, 2015, we received a final investigative report that provided a clearer picture of the incident, including which customers may have been affected so that we could notify them. Separately, we have also implemented additional security measures designed to reduce the likelihood of similar incidents occurring in the future.

With incidents involving fraud or identity theft, it is important to be informed. With this in mind, we want to make you aware of steps you may take to guard against identity theft or fraud and suggest you review the enclosed Information about Identity Theft Protection. As an added precaution, we have also arranged to have AllClear ID protect your identity for 12 months at no cost to you. When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number, that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

We recommend you remain vigilant with respect to reviewing your account statements and credit reports, and promptly report any suspicious activity or suspected identity theft to us and to the proper law enforcement authorities, including local law enforcement, your state's attorney general and/or the Federal Trade Commission ("FTC"). You may contact the FTC or your state's regulatory authority to obtain additional information about avoiding identity theft.

If you are a California resident, we suggest that you visit the web site of the California Office of Privacy Protection at www.privacy.ca.gov to find more information about your medical privacy.

Fraud Alerts: There are also two types of fraud alerts that you can place on your credit report to put your creditors on notice that you may be a victim of fraud: an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for at least 90 days. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years. You can place a fraud alert on your credit report by calling the toll-free fraud number of any of the three national credit reporting agencies listed below.

Equifax: 1-888-766-0008, www.equifax.com
Experian: 1-888-397-3742, www.experian.com
TransUnion: 1-800-680-7289, fraud.transunion.com

Credit Freezes (for Non-Massachusetts Residents): You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to

you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. In addition, you may incur fees to place, lift and/or remove a credit freeze. Credit freeze laws vary from state to state. The cost of placing, temporarily lifting, and removing a credit freeze also varies by state, generally $5 to $20 per action at each credit reporting company. *Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company.* Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax:	P.O. Box 105788, Atlanta, GA 30348, www.equifax.com
Experian:	P.O. Box 9554, Allen, TX 75013, www.experian.com
TransUnion LLC:	P.O. Box 2000, Chester, PA, 19022-2000, freeze.transunion.com

You can obtain more information about fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed above.

Credit Freezes (for Massachusetts Residents): Massachusetts law gives you the right to place a security freeze on your consumer reports. A security freeze is designed to prevent credit, loans and services from being approved in your name without your consent. Using a security freeze, however, may delay your ability to obtain credit. You may request that a freeze be placed on your credit report by sending a request to a credit reporting agency by certified mail, overnight mail or regular stamped mail to the address below:

Equifax:	P.O. Box 105788, Atlanta, GA 30348, www.equifax.com
Experian:	P.O. Box 9554, Allen, TX 75013, www.experian.com
TransUnion LLC:	P.O. Box 2000, Chester, PA, 19022-2000, freeze.transunion.com

Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. The following information should be included when requesting a security freeze (documentation for you and your spouse must be submitted when freezing a spouse's credit report): full name, with middle initial and any suffixes; Social Security number; date of birth (month, day and year); current address and previous addresses for the past five (5) years; and applicable fee (if any) or incident report or complaint with a law enforcement agency or the Department of Motor Vehicles. The request should also include a copy of a government-issued identification card, such as a driver's license, state or military ID card, and a copy of a utility bill, bank or insurance statement. Each copy should be legible, display your name and current mailing address, and the date of issue (statement dates must be recent). The credit reporting company may charge a reasonable fee of up to $5 to place a freeze or lift or remove a freeze, unless you are a victim of identity theft or the spouse of a victim of identity theft, and have submitted a valid police report relating to the identity theft to the credit reporting company.
