Operators of underground facilities receiving notice must then mark the horizontal location of their underground facilities within 48 hours after receiving the notice, excluding weekends and legal holidays, unless otherwise agreed by the operator and the excavator. Iowa Code § 480.4(3)(a)(1).

14. The only exception to the requirements of Iowa Code section 480.4 is “when an emergency exists.” Iowa Code § 480.4(6).

15. Iowa Code section 480.6(1)(a) provides that a person who violates a provision of chapter 480 is subject to a civil penalty, when the violation is related to natural gas and hazardous liquid pipelines, in an amount not to exceed Ten Thousand Dollars (\$10,000.00) for each violation for each day the violation continues, up to a maximum of Five Hundred Thousand Dollars (\$500,000.00).
