

EXHIBIT E

Enforcement Terms

- A. Implementation Timeline.** The Servicing Standards shall be implemented as of January 1, 2016.¹ Servicer anticipates that it will phase in the testing of compliance with the Servicing Standards using a grid approach that prioritizes implementation of testing based upon: (i) the importance of the Servicing Standard being tested to the borrower; and (ii) the difficulty of implementing the testing for the particular metric. The periods for implementation of the metrics testing will be: (a) except as otherwise provided in Section D.1, at least 50% of the Metrics will be tested for the Quarter beginning January 1, 2016;² and (b) all Metrics will be tested as of the 2nd Quarter 2016 (beginning April 1, 2016). Servicer will agree with the Monitor chosen pursuant to Section C, below, on the timetable in which the Servicing Standards will be implemented. In the event that Servicer, using reasonable efforts, is unable to implement certain of the standards on the specified timetable, Servicer may apply to the Monitor for a reasonable extension of time to implement those standards or requirements.
- B. Monitoring Committee.** The Monitoring Committee established pursuant to certain Consent Judgments entered in *United States, et al. v. Bank of America Corp., et al.*, No. 12-civ-00361-RMC (April 4, 2012) (Docket Nos. 10-14) and referenced specifically in paragraph 8 of those Consent Judgments, shall monitor Servicer's compliance with this Consent Judgment (the "Monitoring Committee"). References to the "Monitoring Committee" in this Exhibit and related documents shall be understood to refer to the same Monitoring Committee as that established in the *Bank of America Corp.* case referenced in the preceding sentence, except that the Monitoring Committee shall not include any representatives who are not a signatory to the Consent Judgment, and the Monitoring Committee shall serve as the representative of the participating state and federal agencies in the administration of all aspects of this Consent Judgment and the monitoring of compliance with it by the Defendants. The Monitoring Committee may substitute representation, as necessary. Subject to Section F, the Monitoring Committee may share all Monitor Reports, as that term is defined in Section D.3 below, with any releasing party.
- C. Monitor**

Retention and Qualifications and Standard of Conduct

1. Pursuant to an agreement of the parties, Joseph A. Smith Jr. is appointed to the position of Monitor under this Consent Judgment. If the Monitor is at any time unable to complete his or her duties under this Consent Judgment, Servicer and the Monitoring Committee shall mutually agree upon a

¹ Notwithstanding the foregoing, the following paragraphs of Exhibit A and their subparagraphs shall be implemented as of April 1, 2016: I.A.18, I.B.6, I.B.10, I.C.3, I.E.1.a, IV.B.13, IV.D.4, VI.A.1, and VIII.A.3.

² Testing for the Quarter beginning January 1, 2016 is contingent upon the Monitor approving the test scripts for the Metrics to be implemented no later than January 29, 2016.

replacement in accordance with the processes and standards set forth in Section C of Exhibit E.

2. Such Monitor shall be highly competent and highly respected, with a reputation that will garner public confidence in his or her ability to perform the tasks required under this Consent Judgment. The Monitor shall have the right to employ an accounting firm or firms or other firm(s) with similar capabilities to support the Monitor in carrying out his or her duties under this Consent Judgment. Monitor and Servicer shall agree on the selection of a “Primary Professional Firm” or “Firm,” which must have adequate capacity and resources to perform the work required under this agreement. The Monitor shall also have the right to engage one or more attorneys or other professional persons to represent or assist the Monitor in carrying out the Monitor’s duties under this Consent Judgment (each such individual, along with each individual deployed to the engagement by the Primary Professional Firm, shall be defined as a “Professional”). The Monitor and Professionals will collectively possess expertise in the areas of mortgage servicing, loss mitigation, business operations, compliance, internal controls, accounting, and foreclosure and bankruptcy law and practice. The Monitor and Professionals shall at all times act in good faith and with integrity and fairness towards all the Parties.

3. The Monitor and Professionals shall not have any prior relationships with the Parties that would undermine public confidence in the objectivity of their work and, subject to Section C.3(e), below, shall not have any conflicts of interest with any Party.
 - (a) The Monitor and Professionals will disclose, and will make a reasonable inquiry to discover, any known current or prior relationships to, or conflicts with, any Party, any Party’s holding company, any subsidiaries of the Party or its holding company, directors, officers, and law firms.
 - (b) The Monitor and Professionals shall make a reasonable inquiry to determine whether there are any facts that a reasonable individual would consider likely to create a conflict of interest for the Monitor or Professionals. The Monitor and Professionals shall disclose any conflict of interest with respect to any Party.
 - (c) The duty to disclose a conflict of interest or relationship pursuant to this Section C.3 shall remain ongoing throughout the course of the Monitor’s and Professionals’ work in connection with this Consent Judgment.
 - (d) All Professionals shall comply with all applicable standards of professional conduct, including ethics rules and rules pertaining to conflicts of interest.

- (e) To the extent permitted under prevailing professional standards, a Professional's conflict of interest may be waived by written agreement of the Monitor and Servicer.
 - (f) Servicer or the Monitoring Committee may move the Court for an order disqualifying any Professional on the grounds that such Professional has a conflict of interest that has inhibited or could inhibit the Professional's ability to act in good faith and with integrity and fairness toward all Parties.
4. The Monitor must agree not to be retained by any Party, or its successors or assigns, for a period of two years after the conclusion of the terms of the engagement. Any Professionals who work on the engagement must agree not to work on behalf of Servicer, or its successor or assigns, for a period of 1 year after the conclusion of the term of the engagement (the "Professional Exclusion Period"). Any Firm that performs work with respect to Servicer on the engagement must agree not to perform work on behalf of Servicer, or its successor or assigns, that consists of advising Servicer on a response to the Monitor's review during the engagement and for a period of six months after the conclusion of the term of the engagement (the "Firm Exclusion Period"). The Professional Exclusion Period, Firm Exclusion Period, and terms of exclusion may be altered on a case-by-case basis upon written agreement of Servicer and the Monitor. The Monitor shall organize the work of any Firms so as to minimize the potential for any appearance of, or actual, conflicts.

Monitor's Responsibilities

5. It shall be the responsibility of the Monitor to determine whether Servicer is in compliance with the Servicing Standards and whether Servicer has satisfied the Consumer Relief Requirements in accordance with the authorities provided herein and to report his or her findings as provided in Section D.3, below.
6. The manner in which the Monitor will carry out his or her compliance responsibilities under this Consent Judgment and, where applicable, the methodologies to be utilized shall be set forth in a work plan agreed upon by Servicer and the Monitor, and not objected to by the Monitoring Committee (the "Work Plan").

Internal Review Group

7. Servicer will designate an internal quality control group that is independent from the mortgage servicing operations whose performance is being measured (the "Internal Review Group") to perform compliance reviews each calendar quarter ("Quarter") in accordance with the terms and conditions of the Work Plan (the "Compliance Reviews") and a satisfaction review of the Consumer Relief Requirements after the earlier of the Servicer assertion that it has satisfied its obligations thereunder and the first anniversary of the Effective Date (the "Satisfaction Review"). For the purposes of this provision, a group that is independent from the mortgage servicing operations shall be one that

does not perform operational work on mortgage servicing, and reports to a Chief Risk Officer, Chief Audit Executive, Chief Compliance Officer, SVP Head of Business Risk Control Management, or another employee or manager who has no direct operational responsibility for mortgage servicing. In no event shall this provision be construed to prohibit or limit, in any way, the members of the Internal Review Group from performing strategic work or operational risk monitoring work with respect to mortgage servicing.

8. The Internal Review Group shall have the appropriate authority, privileges, and knowledge to effectively implement and conduct the reviews and metric assessments contemplated herein and under the terms and conditions of the Work Plan.
9. The Internal Review Group shall have personnel skilled at evaluating and validating processes, decisions, and documentation utilized through the implementation of the Servicing Standards. The Internal Review Group may include non-employee consultants or contractors working at Servicer's direction.
10. The qualifications and performance of the Internal Review Group will be subject to ongoing review by the Monitor. Servicer will appropriately remediate the reasonable concerns of the Monitor as to the qualifications or performance of the Internal Review Group.

Work Plan

11. Servicer's compliance with the Servicing Standards shall be assessed via metrics identified and defined in Schedule E-1 hereto (as supplemented from time to time in accordance with Section C.22, below, the "Metrics"). The threshold error rates for the Metrics are set forth in Schedule E-1 (as supplemented from time to time in accordance with Section C.22, below, the "Threshold Error Rates"). The Internal Review Group shall perform test work to compute the Metrics each Quarter, and report the results of that analysis via the Compliance Reviews. The Internal Review Group shall perform test work to assess the satisfaction of the Consumer Relief Requirements at earlier of (i) the end of the Quarter in which Servicer asserts that it has satisfied its obligations under the Consumer Relief Provisions and (ii) the Quarter during which the first anniversary of the Effective Date occurs, and report that analysis via the Satisfaction Review.
12. Servicer and the Monitor shall reach agreement on the terms of the Work Plan within 30 days of the Effective Date, which time can be extended for good cause by agreement of Servicer and the Monitor. If such Work Plan is not objected to by the Monitoring Committee within 15 days, the Monitor shall proceed to implement the Work Plan. In the event that Servicer and the Monitor cannot agree on the terms of the Work Plan within 30 days or the agreed upon terms are not acceptable to the Monitoring Committee, Servicer and Monitoring Committee or the Monitor shall jointly petition the Court to resolve any disputes. If the Court does not resolve such disputes, then the

Parties shall submit all remaining disputes to binding arbitration before a panel of three arbitrators. Each of Servicer and the Monitoring Committee shall appoint one arbitrator, and those two arbitrators shall appoint a third.

13. The Work Plan may be modified from time to time by agreement of the Monitor and Servicer. If such amendment to the Work Plan is not objected to by the Monitoring Committee within 15 days, the Monitor shall proceed to implement the amendment to the Work Plan. To the extent possible, the Monitor shall endeavor to apply the Servicing Standards uniformly across all Servicers who have agreed to comply with the Servicing Standards.
14. The following general principles shall provide a framework for the formulation of the Work Plan:
 - (a) The Work Plan will set forth the testing methods and agreed procedures that will be used by the Internal Review Group to perform the test work and compute the Metrics for each Quarter.
 - (b) The Work Plan will set forth the testing methods and agreed procedures that will be used by Servicer to report on its compliance with the Consumer Relief Requirements of this Consent Judgment, including, incidental to any other testing, confirmation of state-identifying information used by Servicer to compile state-level Consumer Relief information as required by Section D.2.
 - (c) The Work Plan will set forth the testing methods and procedures that the Monitor will use to assess Servicer's reporting on its compliance with the Consumer Relief Requirements of this Consent Judgment.
 - (d) The Work Plan will set forth the methodology and procedures the Monitor will utilize to review the testing work performed by the Internal Review Group.
 - (e) The Compliance Reviews and the Satisfaction Review may include a variety of audit techniques that are based on an appropriate sampling process and random and risk-based selection criteria, as appropriate and as set forth in the Work Plan.
 - (f) In formulating, implementing, and amending the Work Plan, Servicer and the Monitor may consider any relevant information relating to patterns in complaints by borrowers, issues or deficiencies reported to the Monitor with respect to the Servicing Standards, and the results of prior Compliance Reviews.
 - (g) The Work Plan should ensure that Compliance Reviews are commensurate with the size, complexity, and risk associated with the Servicing Standard being evaluated by the Metric.
 - (h) Following implementation of the Work Plan, Servicer shall be required to compile each Metric beginning in the first full Quarter after the

period for implementing the Servicing Standards associated with the Metric, or any extension approved by the Monitor in accordance with Section A, has run.

Monitor's Access to Information

15. So that the Monitor may determine whether Servicer is in compliance with the Servicing Standards, Servicer shall provide the Monitor with its regularly prepared business reports analyzing Executive Office servicing complaints (or the equivalent); access to all Executive Office servicing complaints (or the equivalent) (with appropriate redactions of borrower information other than borrower name and contact information to comply with privacy requirements); and, if Servicer tracks additional servicing complaints, quarterly information identifying the three most common servicing complaints received outside of the Executive Office complaint process (or the equivalent). In the event that Servicer substantially changes its escalation standards or process for receiving Executive Office servicing complaints (or the equivalent), Servicer shall ensure that the Monitor has access to comparable information.
16. So that the Monitor may determine whether Servicer is in compliance with the Servicing Standards, Servicer shall notify the Monitor promptly if Servicer becomes aware of reliable information indicating Servicer is engaged in a significant pattern or practice of noncompliance with a material aspect of the Servicing Standards.
17. Servicer shall provide the Monitor with access to all work papers prepared by the Internal Review Group in connection with determining compliance with the Metrics or satisfaction of the Consumer Relief Requirements in accordance with the Work Plan.
18. If the Monitor becomes aware of facts or information that lead the Monitor to reasonably conclude that Servicer may be engaged in a pattern of noncompliance with a material term of the Servicing Standards that is reasonably likely to cause harm to borrowers, the Monitor shall engage Servicer in a review to determine if the facts are accurate or the information is correct.
19. Where reasonably necessary in fulfilling the Monitor's responsibilities under the Work Plan to assess compliance with the Metrics or the satisfaction of the Consumer Relief Requirements, the Monitor may request information from Servicer in addition to that provided under Sections C.15-18. Servicer shall provide the requested information in a format agreed upon between Servicer and the Monitor.
20. Where reasonably necessary in fulfilling the Monitor's responsibilities under the Work Plan to assess compliance with the Metrics or the satisfaction of the Consumer Relief Requirements, the Monitor may interview Servicer's employees and agents, provided that the interviews shall be limited to matters related to Servicer's compliance with the Metrics or the Consumer Relief

Requirements, and that Servicer shall be given reasonable notice of such interviews.

Monitor's Powers

21. Where the Monitor reasonably determines that the Internal Review Group's work cannot be relied upon or that the Internal Review Group did not correctly implement the Work Plan in some material respect, the Monitor may direct that the work on the Metrics (or parts thereof) be reviewed by Professionals or a third party other than the Internal Review Group, and that supplemental work be performed as necessary.
22. If the Monitor becomes aware of facts or information that lead the Monitor to reasonably conclude that Servicer may be engaged in a pattern of noncompliance with a material term of the Servicing Standards that is reasonably likely to cause harm to borrowers or tenants residing in foreclosed properties, the Monitor shall engage Servicer in a review to determine if the facts are accurate or the information is correct. If after that review, the Monitor reasonably concludes that such a pattern exists and is reasonably likely to cause material harm to borrowers or tenants residing in foreclosed properties, the Monitor may propose an additional Metric and associated Threshold Error Rate relating to Servicer's compliance with the associated term or requirement. Any additional Metrics and associated Threshold Error Rates (a) must be similar to the Metrics and associated Threshold Error Rates contained in Schedule E-1, (b) must relate to material terms of the Servicing Standards, (c) must either (i) be outcome based or (ii) require the existence of policies and procedures required by the Servicing Standards, in a manner similar to Metrics 5.B-E, and (d) must be distinct from, and not overlap with, any other Metric or Metrics. Notwithstanding the foregoing, the Monitor may add a Metric that satisfies (a)-(c) but does not satisfy (d) of the preceding sentence if the Monitor first asks the Servicer to propose, and then implement, a Corrective Action Plan, as defined below, for the material term of the Servicing Standards with which there is a pattern of noncompliance and that is reasonably likely to cause material harm to borrowers or tenants residing in foreclosed properties, and the Servicer fails to implement the Corrective Action Plan according to the timeline agreed to with the Monitor.
23. If the Monitor proposes an additional Metric and associated Threshold Error Rate pursuant to Section C.22, above, the Monitor, the Monitoring Committee, and Servicer shall agree on amendments to Schedule E-1 to include the additional Metrics and Threshold Error Rates provided for in Section C.22, above, and an appropriate timeline for implementation of the Metric. If Servicer does not timely agree to such additions, any associated amendments to the Work Plan, or the implementation schedule, the Monitor may petition the court for such additions.
24. Any additional Metric proposed by the Monitor pursuant to the processes in Sections C.22 or C.23 and relating to provision VIII.B.1 of the Servicing

Standards shall be limited to Servicer's performance of its obligations to comply with (1) state laws that provide protections to tenants of foreclosed properties comparable to the protections provided by the Protecting Tenants at Foreclosure Act; (2) state laws that govern relocation assistance payments to tenants ("cash for keys"); and (3) state laws that govern the return of security deposits to tenants.

D. Reporting

Quarterly Reports

1. Following the end of each Quarter, Servicer will report the results of its Compliance Reviews for that Quarter (the "Quarterly Report"). The Quarterly Report shall include: (i) the Metrics for that Quarter; (ii) Servicer's progress toward meeting its payment obligations under this Consent Judgment; and (iii) general statistical data on Servicer's overall servicing performance described in Schedule Y. Except where an extension is granted by the Monitor, Quarterly Reports shall be due no later than 45 days following the end of the Quarter and shall be provided to: (1) the Monitor and (2) the Board of Servicer or a committee of the Board designated by Servicer. The first Quarterly Report shall cover the first full Quarter of calendar year 2016 as long as the Consent Judgment is executed by all Parties on or before January 29, 2016. If the Consent Judgment is executed after January 29, 2016, the first Quarterly Report shall cover only a partial Quarter, consisting of that portion of the first calendar Quarter of 2016 from the date the Consent Judgment is executed by all Parties through March 31, 2016. Any such partial Quarter shall be considered a full Quarter for the purposes of Defendant's obligations under the Consent Judgment.
2. Following the end of each Quarter, Servicer will transmit to each state a report (the "State Report") including general statistical data on Servicer's servicing performance, such as aggregate and state-specific information regarding the number of borrowers assisted and credited activities conducted pursuant to the Consumer Relief Requirements, as described in Schedule Y. The State Report will be delivered simultaneously with the submission of the Quarterly Report to the Monitor. Servicer shall provide copies of such State Reports to the Monitor and Monitoring Committee.

Monitor Reports

3. The Monitor shall report on Servicer's compliance with this Consent Judgment in periodic reports setting forth his or her findings (the "Monitor Reports"). A Monitor Report may be filed covering each Quarterly Report at the discretion of the Monitor. However, at a minimum, a Monitor Report must be filed at least every two Quarters. In the case of a Potential Violation, the Monitor may (but retains the discretion not to) submit a Monitor Report after the filing of each of the next two Quarterly Reports, provided, however, that such additional Monitor Report(s) may be limited in scope to the Metric or Metrics as to which a Potential Violation has occurred.

4. Prior to issuing any Monitor Report, the Monitor shall confer with Servicer and the Monitoring Committee regarding its preliminary findings and the reasons for those findings. Servicer shall have the right to submit written comments to the Monitor, which shall be appended to the final version of the Monitor Report. Final versions of each Monitor Report shall be provided simultaneously to the Monitoring Committee and Servicer within a reasonable time after conferring regarding the Monitor's findings. The Monitor Reports shall be filed with the Court overseeing this Consent Judgment and shall also be provided to the Board of Servicer or a committee of the Board designated by Servicer.
5. The Monitor Report shall: (i) describe the work performed by the Monitor and any findings made by the Monitor during the relevant period, (ii) list the Metrics and Threshold Error Rates, (iii) list the Metrics, if any, where the Threshold Error Rates have been exceeded, (iv) state whether a Potential Violation has occurred and explain the nature of the Potential Violation, and (v) state whether any Potential Violation has been cured. In addition, following each Satisfaction Review, the Monitor Report shall report on the Servicer's satisfaction of the Consumer Relief Requirements, including regarding the number of borrowers assisted and credited activities conducted pursuant to the Consumer Relief Requirements, and identify any material inaccuracies identified in prior State Reports. Except as otherwise provided herein, the Monitor Report may be used in any court hearing, trial, or other proceeding brought pursuant to this Consent Judgment pursuant to Section J, below, and shall be admissible in evidence in a proceeding brought under this Consent Judgment pursuant to Section J, below. Such admissibility shall not prejudice Servicer's right and ability to challenge the findings and/or the statements in the Monitor Report as flawed, lacking in probative value or otherwise. The Monitor Report with respect to a particular Potential Violation shall not be admissible or used for any purpose if Servicer cures the Potential Violation pursuant to Section E, below.

Satisfaction of Payment Obligations

6. Upon the satisfaction of any category of payment obligation under this Consent Judgment, Servicer, at its discretion, may request that the Monitor certify that Servicer has discharged such obligation. Provided that the Monitor is satisfied that Servicer has met the obligation, the Monitor may not withhold and must provide the requested certification. Any subsequent Monitor Report shall not include a review of Servicer's compliance with that category of payment obligation.

Compensation

7. Within 90 days of the Effective Date, the Monitor shall, in consultation with the Monitoring Committee and Servicer, prepare and present to the Monitoring Committee and Servicer an annual budget providing its reasonable best estimate of all fees and expenses of the Monitor to be incurred during the Term of the Consent Judgment, including the fees and expenses of

Professionals and support staff (the “Monitoring Budget”). The Monitor, at his discretion, may alter the timing of the budgeting process so that Servicer may be incorporated into the same billing cycle as signatories to the Consent Judgments filed in the *Bank of America Corp* case referenced above. Absent an objection within 15 days, a Monitoring Budget or updated Monitoring Budget shall be implemented. Consistent with the Monitoring Budget, Servicer shall pay all fees and expenses of the Monitor, including the fees and expenses of Professionals and support staff. The fees, expenses, and costs of the Monitor, Professionals, and support staff shall be reasonable. Servicer may apply to the Court to reduce or disallow fees, expenses, or costs that are unreasonable.

E. Potential Violations and Right to Cure

1. A “Potential Violation” of this Consent Judgment occurs if the Servicer has exceeded the Threshold Error Rate set for a Metric in a given Quarter. In the event of a Potential Violation, Servicer shall meet and confer with the Monitoring Committee within 15 days of the Quarterly Report or Monitor Report indicating such Potential Violation. In the event of a Potential Violation, Servicer shall provide the Monitor with a draft corrective action plan within 15 days of the earlier of the IRG identifying and disclosing a Potential Violation to the Monitor or the submission of the Quarterly Report indicating such Potential Violation. The corrective action plan shall be implemented and completed no later than 90 days thereafter, unless the Monitor and Servicer agree to an alternative deadline in writing.
2. Servicer shall have a right to cure any Potential Violation.
3. Subject to Section E.4, a Potential Violation is cured if (a) a corrective action plan approved by the Monitor (the “Corrective Action Plan”) is determined by the Monitor to have been satisfactorily completed in accordance with the terms thereof; and (b) a Quarterly Report covering the Cure Period (as defined herein) reflects that the Threshold Error Rate has not been exceeded with respect to the same Metric and the Monitor confirms the accuracy of said report using his or her ordinary testing procedures. The Cure Period shall begin immediately after the completion of the corrective action plan and shall cover the first full Quarter after completion of the Corrective Action Plan or, if the completion of the Corrective Action Plan occurs during a Quarter and the Monitor determines that there is sufficient time remaining, the period between completion of the Corrective Action Plan and the end of that Quarter (the “Cure Period”). Subject to Section E.4, curing a Potential Violation occurring during the final Quarter of testing requires only the completion of a Corrective Action Plan.
4. If after Servicer cures a Potential Violation pursuant to the previous section, another violation occurs with respect to the same Metric, then the second Potential Violation shall immediately constitute an uncured violation for purposes of Section J.3, provided, however, that such second Potential

Violation occurs in either the Cure Period or the Quarter immediately following the Cure Period.

5. In addition to the Servicer's obligation to cure a Potential Violation through the Corrective Action Plan, Servicer must remediate any material harm to particular borrowers identified through work conducted under the Work Plan. In the event that a Servicer has a Potential Violation that so far exceeds the Threshold Error Rate for a metric that the Monitor concludes that the error is widespread, Servicer shall, under the supervision of the Monitor, identify other borrowers who may have been harmed by such noncompliance and remediate all such harms to the extent that the harm has not been otherwise remediated.
6. In the event a Potential Violation is cured as provided in Sections E.3, above, then no Party shall have any remedy under this Consent Judgment (other than the remedies in Section E.5) with respect to such Potential Violation.

F. Confidentiality

1. These provisions shall govern the use and disclosure of any and all information designated as "CONFIDENTIAL," as set forth below, in documents (including email), magnetic media, or other tangible things provided by the Servicer to the Monitor in this case, including the subsequent disclosure by the Monitor to the Monitoring Committee of such information. In addition, it shall also govern the use and disclosure of such information when and if provided to the participating state parties or the participating agency or department of the United States whose claims are released through this settlement ("participating state or federal agency whose claims are released through this settlement").
2. The Monitor may, at his discretion, provide to the Monitoring Committee or to a participating state or federal agency whose claims are released through this settlement any documents or information received from the Servicer related to a Potential Violation or related to the review described in Section C.18; provided, however, that any such documents or information so provided shall be subject to the terms and conditions of these provisions. Nothing herein shall be construed to prevent the Monitor from providing documents received from the Servicer and not designated as "CONFIDENTIAL" to a participating state or federal agency whose claims are released through this settlement.
3. The Servicer shall designate as "CONFIDENTIAL" that information, document or portion of a document or other tangible thing provided by the Servicer to the Monitor, the Monitoring Committee or to any other participating state or federal agency whose claims are released through this settlement that Servicer believes contains a trade secret or confidential research, development, or commercial information subject to protection under applicable state or federal laws (collectively, "Confidential Information"). These provisions shall apply to the treatment of Confidential Information so designated.

4. Except as provided by these provisions, all information designated as “CONFIDENTIAL” shall not be shown, disclosed or distributed to any person or entity other than those authorized by these provisions. Participating states and federal agencies whose claims are released through this settlement agree to protect Confidential Information to the extent permitted by law.
 5. This agreement shall not prevent or in any way limit the ability of a participating state or federal agency whose claims are released through this settlement to comply with any subpoena, Congressional demand for documents or information, court order, request under the Right of Financial Privacy Act, or a state or federal public records or state or federal freedom of information act request; provided, however, that in the event that a participating state or federal agency whose claims are released through this settlement receives such a subpoena, Congressional demand, court order or other request for the production of any Confidential Information covered by this Order, the state or federal agency shall, unless prohibited under applicable law or unless the state or federal agency would violate or be in contempt of the subpoena, Congressional demand, or court order, (1) notify the Servicer of such request as soon as practicable and in no event more than ten (10) calendar days of its receipt or three calendar days before the return date of the request, whichever is sooner, and (2) allow the Servicer ten (10) calendar days from the receipt of the notice to obtain a protective order or stay of production for the documents or information sought, or to otherwise resolve the issue, before the state or federal agency discloses such documents or information. In all cases covered by this Section, the state or federal agency shall inform the requesting party that the documents or information sought were produced subject to the terms of these provisions.
- G. Dispute Resolution Procedures.** Servicer, the Monitor, and the Monitoring Committee will engage in good faith efforts to reach agreement on the proper resolution of any dispute concerning any issue arising under this Consent Judgment, including any dispute or disagreement related to the withholding of consent, the exercise of discretion, or the denial of any application. Subject to Section J, below, in the event that a dispute cannot be resolved, Servicer, the Monitor, or the Monitoring Committee may petition the Court for resolution of the dispute. Where a provision of this agreement requires agreement, consent of, or approval of any application or action by a Party or the Monitor, such agreement, consent or approval shall not be unreasonably withheld.
- H. Consumer Complaints.** Nothing in this Consent Judgment shall be deemed to interfere with existing consumer complaint resolution processes, and the Parties are free to bring consumer complaints to the attention of Servicer for resolution outside the monitoring process. In addition, Servicer will continue to respond in good faith to individual consumer complaints provided to it by State Attorneys General in accordance with the routine and practice existing prior to the entry of this Consent Judgment, whether or not such complaints relate to Covered Conduct released herein.
- I. Relationship to Other Enforcement Actions.** Nothing in this Consent Judgment shall affect requirements imposed on the Servicer pursuant to Consent Orders issued

by the appropriate Federal Banking Agency (FBA), as defined in 12 U.S.C. § 1813(q), against the Servicer. In conducting their activities under this Consent Judgment, the Monitor and Monitoring Committee shall not impede or otherwise interfere with the Servicer's compliance with the requirements imposed pursuant to such Orders or with oversight and enforcement of such compliance by the FBA.

J. Enforcement

1. **Consent Judgment.** This Consent Judgment shall be filed in the U.S. District Court for the District of Columbia (the "Court") and shall be enforceable therein. Servicer and the Releasing Parties shall waive their rights to seek judicial review or otherwise challenge or contest in any court the validity or effectiveness of this Consent Judgment. Servicer and the Releasing Parties agree not to contest any jurisdictional facts, including the Court's authority to enter this Consent Judgment.
2. **Enforcing Authorities.** Servicer's obligations under this Consent Judgment shall be enforceable solely in the U.S. District Court for the District of Columbia. An enforcement action under this Consent Judgment may be brought by any Party to this Consent Judgment or the Monitoring Committee. Monitor Report(s) and Quarterly Report(s) shall not be admissible into evidence by a Party to this Consent Judgment except in an action in the Court to enforce this Consent Judgment. In addition, unless immediate action is necessary in order to prevent irreparable and immediate harm, prior to commencing any enforcement action, a Party must provide notice to the Monitoring Committee of its intent to bring an action to enforce this Consent Judgment. The members of the Monitoring Committee shall have no more than 21 days to determine whether to bring an enforcement action. If the members of the Monitoring Committee decline to bring an enforcement action, the Party must wait 21 additional days after such a determination by the members of the Monitoring Committee before commencing an enforcement action.
3. **Enforcement Action.**
 - (a) In the event of an action to enforce the obligations of Servicer and to seek remedies for an uncured Potential Violation for which Servicer's time to cure has expired, the sole relief available in such an action will be:
 - (i) **Equitable Relief.** An order directing non-monetary equitable relief, including injunctive relief, directing specific performance under the terms of this Consent Judgment, or other non-monetary corrective action.
 - (ii) **Civil Penalties.** The Court may award as civil penalties an amount not more than \$1 million per uncured Potential Violation; or, in the event of a second uncured Potential Violation of Metrics 1.a, 1.b, or 2.a (*i.e.*, a Servicer fails the specific Metric in a Quarter, then fails to cure that Potential

Violation, and then in subsequent Quarters, fails the same Metric again in a Quarter and fails to cure that Potential Violation again in a subsequent Quarter), where the final uncured Potential Violation involves widespread noncompliance with that Metric, the Court may award as civil penalties an amount not more than \$5 million for the second uncured Potential Violation.

- (b) Nothing in this Section shall limit the availability of remedial compensation to harmed borrowers as provided in Section E.5.
- (c) Any penalty or payment owed by Servicer pursuant to the Consent Judgment shall be paid to the clerk of the Court or as otherwise agreed by the Monitor and the Servicer and distributed by the Monitor as follows:
 - i. In the event of a penalty based on a violation of a term of the Servicing Standards that is not specifically related to conduct in bankruptcy, the penalty shall be allocated, first, to cover the costs incurred by any state or states in prosecuting the violation, and second, among the participating states as directed by the state members of the Monitoring Committee.
 - ii. In the event of a penalty based on a violation of a term of the Servicing Standards that is specifically related to conduct in bankruptcy, the penalty shall be allocated to the United States or as otherwise directed by the Director of the United States Trustee Program.
 - iii. In the event of a payment due under Paragraph 10.d of the Consumer Relief requirements, 50% of the payment shall be allocated to the United States, and 50% shall be allocated to the State Parties to the Consent Judgment, divided among them as directed by the state members of the Monitoring Committee.

K. Sunset. This Consent Judgment and all Exhibits shall retain full force and effect until four Quarters of compliance testing have been completed, which shall be no later than December 31, 2016.
