COMES NOW Plaintiff State of Iowa, ex rel., Thomas J. Miller, Attorney General of Iowa, and for its claim against Defendant Lumos Electric, Inc., d/b/a Dave Bessine Electric, states as follows:

Introduction

1. The State of Iowa seeks the assessment of civil penalties and injunctive relief against Defendant Lumos Electric, Inc., d/b/a Dave Bessine Electric (“Dave Bessine”), for violations of the “Iowa One Call” statute, Iowa Code chapter 480. Dave Bessine failed to provide 48-hours notice of two planned excavations, and without any underground facilities having been located and marked, proceeded with the excavations to install electrical service. During the excavations, Dave Bessine’s equipment hit and damaged a 1 and 1/4-inch diameter natural gas pipeline under 55 pounds per square inch of pressure on the property in each instance.

Parties

- 2. The State of Iowa is a sovereign state of the United States of America.
- 3. Thomas J. Miller is the duly elected Attorney General for the State of Iowa.

4. Defendant Lumos Electric, Inc., d/b/a Dave Bessine Electric is an Iowa corporation with an office at 705 Valley Street, Burlington, Iowa 52601.

Definitions

5. “Emergency” means “a condition where there is clear and immediate danger to life or health, or essential services, or a potentially significant loss of property.” Iowa Code § 480.1(3).

6. “Excavation” means “an operation in which a structure or earth, rock, or other material in or on the ground is moved, removed, or compressed, or otherwise displaced by means of any tools, equipment, or explosives and includes, but is not limited to, grading, trenching, tiling, digging, ditching, drilling, augering, tunneling, scraping, cable or pipe plowing, driving, and demolition of structures.” Iowa Code § 480.1(4).

7. “Excavator” means “a person proposing to engage or engaging in excavation.” Iowa Code § 480.1(5).

8. “Operator” means “a person owning or operating an underground facility including, but not limited to, public, private, and municipal utilities. An operator does not include a person who owns or otherwise lawfully occupies real property where an underground facility is located only for the use and benefit of the owner or occupant on the property.” Iowa Code § 480.1(8).

9. “Underground facility” means an “item of personal property owned or leased by the operator which is buried or placed below ground for use in connection with the storage or conveyance of, or the provision of services supplying water, sewage, electronic, telephonic, or telegraphic communications, electric energy, hazardous liquids, or petroleum products including natural gas or other substances, and includes, but is not limited to, pipes, sewers, conduits,

cables, valves, lines, wires, manholes, and attachments to such property but does not include sanitary sewer laterals, storm sewer laterals, and water service lines providing service to abutting private properties.” Iowa Code § 480.1(10).

Jurisdiction

10. Iowa Code chapter 480, commonly referred to as the “Iowa One Call” statute, establishes a statewide notification center to receive, document and process notices of excavations. The statute also creates certain duties for excavators and owners and operators of underground facilities.

11. Iowa Code section 480.1A provides that a person shall not engage in any excavation unless the requirements of chapter 480 have been satisfied.

12. Iowa Code section 480.4(1)(a) provides that, prior to any excavation, an excavator shall contact the statewide notification center and provide notice of the planned excavation. The notice must be given at least 48 hours prior to the commencement of the excavation, excluding weekends and legal holidays Notice is provided by either filing a ticket online at www.iowaonecall.com or calling the One Call Notification Center at 1-800-292-8989 or 811.

The notice for a location within a city shall include:

1. the street address or block and lot numbers, or both, of the proposed area of excavation;
2. the name and address of the excavator;
3. the excavator’s telephone number;
4. the type and extent of the proposed excavation;
5. whether the discharge of explosives is anticipated;
6. the date and time when excavation is scheduled to begin;

7. approximate location of the excavation on the property; and
8. if known, the name of the housing development and property owner.

Iowa Code §§ 480.4(1)(b)(1)-(8).

13. Pursuant to Iowa Code section 480.4(2), the notification center, upon receiving notice from an excavator, must then immediately transmit the information contained in the notice to each operator of underground facilities in the area of the proposed excavation and provide the names of all operators in that area to the excavator. Operators of underground facilities receiving notice must then mark the horizontal location of their underground facilities within 48 hours after receiving the notice, excluding weekends and legal holidays, unless otherwise agreed by the operator and the excavator. Iowa Code § 480.4(3)(a)(1).

14. The only exception to the requirements of Iowa Code section 480.4 is “when an emergency exists.” Iowa Code § 480.4(6).

15. Iowa Code section 480.6(1)(a) provides that a person who violates a provision of chapter 480 is subject to a civil penalty, when the violation is related to natural gas and hazardous liquid pipelines, in an amount not to exceed Ten Thousand Dollars (\$10,000.00) for each violation for each day the violation continues, up to a maximum of Five Hundred Thousand Dollars (\$500,000.00).

16. Iowa Code section 480.6(2) authorizes the Attorney General, upon the receipt of a complaint, to institute legal proceedings necessary to enforce the penalty provisions of chapter 480.

17. Iowa Code section 480.7 authorizes injunctive relief from any violation of Iowa Code chapter 480.
